

Green is Good

You've made the decision to purchase environmentally preferable paper products, but you don't want to sacrifice quality. What should you buy?

It's easy to go green...

All the manufacturers' claims about "green" paper products can be confusing. Boardwalk takes the guesswork out of green: Boardwalk® Green and Boardwalk® Green Plus products feature the assurance of Green Seal™, the most stringent and comprehensive certification standard available for towel and tissue products. Products are 100% recycled, exceed U.S. EPA guidelines for post-consumer wastepaper content, are processed chlorine-free and feature environmentally preferable packaging.

...with good quality and a good selection.

Boardwalk® Green Plus is an excellent line of universal bath tissue and folded towels featuring embossed, high-quality paper, and exceptional brightness and absorbency. Boardwalk® Green products are available in multiple grades and include universal and jumbo bath tissue, roll and folded towels, and household roll towels.

Boardwalk® Green and Boardwalk® Green Plus: first in environmental responsibility and second to none in quality.

Green Seal™ — An independent non-profit organization dedicated to safeguarding the environment and transforming the marketplace by promoting the manufacture, purchase, and use of environmentally responsible products and services.
