

Husky by Canberra

HUSKY 300 Bowl Cleaner (9% HCL)

Cleans, rich sudsing action leaves bowl sparkling clean. Deodorizes, eliminates offensive odors by removing the source. Disinfects, germicidal active ingredients destroy many dangerous bacteria. EPA Registered, USDA Authorized.

HUSKY 302 *D/T Bowl Cleaner (Detergent Thickened/9.5% HCL)

First truly new Bowl Cleaner in years, EPA Registered as a disinfectant, formulated with a combination of HCL and high sudsing detergents, synergistically blended for efficient removal of hard water build-up. Pleasant fragrance, available in color change (green to blue) or pink formulas, HIV-1 (Aids) effective, USDA Authorized.

HUSKY 303 Bowl Cleaner (23% HCL)

Powerful, removes tough rust and lime. Cleans, deodorizes and disinfects in one operation. Formulated with safety inhibitor to protect plumbing. EPA Registered, pink or white emulsion. HIV-1 (Aids) effective, USDA Authorized.

HUSKY 305 *T/C Bowl/Tile/Porcelain Cleaner (*Thick and Clinging 20% Phosphoric Acid)

EPA Registered as a disinfectant, features safety and versatility, can be used on many surfaces. Super Viscous, unmatched thick and clinging characteristics, pink color, cherry / almond fragrance. Dispensing cap included. USDA Authorized.

HUSKY 315 Mild Acid Bowl Cleaner

A germicidal bowl cleaner with more power than daily maintenance products. Increased acid content provides more lime removal capacity, yet is low enough to minimize the fuming characteristic of higher acid bowl cleaners. EPA Registered, USDA Authorized.

HUSKY 320 Non-Acid Bowl and Bathroom Cleaner

A powerful, hospital-type, non-acid ARB (Anti-biotic Resistant Bacteria) spray disinfectant cleaner... destroys Methicillin Resistant Staphylococcus Aureus (MRSA), Vancomycin Resistant Enterococcus Faecalis (VRE), E. coli (O157:H7) and HIV-1 (AIDS) Virus...superb cleaning and disinfection action in one easy step. EPA

Registered · Kills TB · Bloodborne pathogen compliant · Ready-to-use · pH - 12.5 · USDA-G2

HUSKY 325 Thickened Non-Acid Bowl and Bathroom Cleaner

Detergent thickened. Hospital type disinfectant. Designed to clean toilets, tubs, tile, porcelain, grout, fiberglass and many other surfaces. Product exhibits excellent foam levels. EPA registered. HIV-1 (Aids) effective. Herpes Simplex II effective. USDA Authorized

HUSKY 330 Automatic Toilet Bowl Cleaner

This industrial strength automatic bowl cleaner releases a special blend of detergent and chelating agents to clean and protect your bowl with every flush. Clean blue water lets the user know someone cares about sanitation and pleasant fragrance keeps your restroom smelling fresh

HUSKY 400 Bacterial Digestant/Deodorant

Contains live bacteria, acts fast, digesting grease and other organic waste. Deodorizes instantly contains a superb malodor counteractant, in addition to removing the source. Safe non-acid, non-caustic, non-pathogenic, contains no solvents, digests grease nature's way. USDA Authorized. Minimum 200 billion per gallon.

HUSKY 401 Uric Acid Eradicator

Attacks uric acid odors immediately through a powerful enzyme activated digestion process. Masks odors within seconds while bacteria remain to consume the odor's source. Safe non-acid, non-caustic. USDA Authorized. Minimum 200 billion per gallon.

HUSKY 402 Bio-Enzymatic Drain Opener

A newly developed liquid bio-enzymatic bacterial formulation. Designed specifically to provide rapid penetration, break down, and degradation of organic drain blockages and lime deposits. This catalytic enzymatic transformer serves as a drain opener or a purge treatment for grease traps, industrial sumps and collection tanks. Minimum 200 billion per gallon.

HUSKY 403 Professional Strength Drain Opener

Our Professional Strength Drain Opener has been designed for institutional grade equipment and drains. Formulated safe on standard and plastic

pipe, septic systems and garbage disposals, this fast acting drain opener will improve slow drains, and pierce through standing water to efficiently and quickly unclog the toughest of stopped drains.

HUSKY 410 Acidulous Quarry Tile Renovator

Fast acting acid foam cleaner that dissolves and emulsifies lime, soap films, oil, grease and mineral deposits instantly. Rejuvenates quarry tile, shower stalls and grout, leaving surfaces sparkling clean. A combination of 4 mild acids. Dilutable to suit various cleaning tasks. USDA Authorized.

HUSKY 415 Foaming Disinfectant Cleaner Concentrate

One step acid disinfectant cleaner, aids in removal of lime-soap build-up, hard water stains rust stains and grime from most bathroom surfaces. Very economical, use-dilution of 3 oz. per gallon. EPA Registered.

HUSKY 420 Glass, Plastic & CRT Cleaner RTU

A film-free glass and thermoplastic cleaner, excellent non-streaking, anti-fogging formula. Contains exclusive A-24 polishing agent which also acts as an anti-stat. Ready-to-use. USDA Authorized.

HUSKY 421 Glass, Plastic & CRT Cleaner Concentrate

A Film-Free glass and thermoplastic cleaner... excellent non-streaking, anti-fogging formula. Contains exclusive A-24 polishing agent which also acts as an anti-stat • Concentrate • May be utilized on lexan, lucite, plexiglass and computer screens • pH - 8.5

HUSKY 430 Creme Cleanser (Mild Abrasive)

EPA Registered as a disinfectant against odor causing bacteria. Polishes as it cleans removes stubborn stains, rust build-up, grease, soap scum and rubber heel marks. Contains mild abrasives yet safe on porcelain, ceramic, stainless steel and formica type surfaces. Free-rinsing. Dispensing caps included. USDA Authorized.

HUSKY 440 Soft Lotion Hand Dishwashing Concentrate

A hard-working, high-sudsing, top-quality, dishwashing concentrate with aloe vera gel for skin conditioning. This soft-lotion dish soap is formulated for especially for high-quality, manual

dish or pot and pan washing, Neutral pH, gentle to the hands, free-rinsing. USDA Authorized

HUSKY 445 Fleetwash & Pressure Sprayer Concentrate

A hard-working...top-quality fleetwash & pressure sprayer concentrate • formulated specially for high-quality results, and heavy washing...highly-concentrated...free-rinsing • may be used hot or cold • pH 12

HUSKY 470 Oven & Grill Cleaner

Designed to quickly penetrate and liquify baked on food, grease and carbon deposits from commercial & industrial ovens and grills. High-foaming formula. USDA Authorized.

HUSKY 480 Liquid Furniture Polish

A water based emulsion polish that dusts and cleans • A rich blend of silicones, cleaners and natural waxes that cleans and polishes a variety of surfaces leaving behind a pleasant fragrance and a hard, dust-free shine • Removes finger marks, smudges, and marks in one step

HUSKY 481 Liquid Stainless Steel Cleaner Polish

Specially formulated to clean, polish and protect stainless steel and a wide variety of other surfaces in one step • Will not leave behind an oily residue but will resist fingerprints, grease and water spatter with a protective coating • Use in foodservice areas • USDA-A7 Equivalent

HUSKY 500 Lotion Hand Cleaner

Economical, bulk packaged, perfect for heavy use customers requiring tighter budgets. Lotionized, aloe vera fortified, does not dry out skin. Excellent lathering characteristics provides better cleaning, rinses freely from skin. Cherry almond fragrance, neutralizes hand odors, promotes better hygiene. USDA Authorized.

HUSKY 501 Premium Hand Wash

Our thick, pearlized, high lathering hand cleanser is specially formulated for professionals, employees, care givers, and guests who are required to wash their hands regularly. This exceptionally mild, pleasantly scented hand cleanser contains our unique emollient system and other natural skin enrichment conditioners that leave hands beautifully clean and silky smooth even after

Liquid Malodor Counteractant eliminates odors leaving behind a fresh, pleasant harmony scent · May be utilized on a variety of surfaces, including drapes, carpets, upholstery, waste receptacle interiors, toilets and urinals · Concentrate or Ready-to-use · pH - 6-8

HUSKY 700 Multi-Purpose Synthetic Detergent Complex

Highly-concentrated, synthetic all purpose cleaner for all surfaces not harmed by water. Dilution ratios range from 1 oz. to 4 oz. per gallon. Delivers quick wetting action with controlled suds. USDA Authorized.

HUSKY 701 Economy Multi-Purpose Synthetic Detergent Complex

Similar to 700 but requiring slightly higher dilution ratios. Excellent for bid purposes. USDA Authorized.

HUSKY 702 No Rinse Damp Mop Cleaner

Highly-concentrated floor cleaner designed for daily use on high gloss floor finishes. Recommended for damp mopping. When used as directed, rinsing is not necessary. Particularly good for heavy traffic areas. USDA Authorized.

HUSKY 703 Low Suds Automatic Scrubber Floor Cleaner

Concentrated low suds cleaner, designed specifically for automatic scrubbing equipment. Also an effective heavy-duty cleaner for general use, utilizes amphoteric surfactants. USDA Authorized.

HUSKY 704 Rinse Free Floor Stripper

An efficient, state-of-the-art product in floor stripping. Quick and simple, does an outstanding job without the use of a floor machine and without rinsing. USDA Authorized.

HUSKY 705 Extra Heavy Duty Stripper

Quickly removes all types of water based waxes, floor finishes and sealers, as well as locked-in soil, dirt, grease and encrusted soap scum from all floor surfaces. No ammonia. USDA Authorized. Ideally compatible for use with propane floor care systems.

HUSKY 706 Butyl Free Low Odor UHS Floor Stripper

Rinse free, no need to neutralize either. Biodegradable, environmentally friendly. Leaves no film residue. Emulsion forming technology, greater solvent-finish interface. Miscible, mixes completely with water. Pleasant mint fragrance. Ideally compatible for use with propane floor care systems.

HUSKY 707 Super Charged Rinse Free Floor Stripper

This unparalleled stripper blasts away the toughest floor finishes - Rinse-free - Cuts labor costs - Reduces floor down time - Perfect for UHS and Propane burnished floors - USDA A4 Equivalent - pH 13.0 - Floral fragrance

HUSKY 710 Floor Cleaner & Neutralizer

Formulated to condition and eliminate alkalinity & salt film from resilient floor tiles. Economical to use. Versatile applications include carpet extractors and mop water when removing ice melt residues. pH 2.5. USDA C1.

HUSKY 725 Water Based Dust Mop Treatment

An oil-free water based conditioner for untreated dust mops. Contains no mineral oils or naphthas. Has been formulated utilizing low volatile, low odor, water soluble solvents. Ideally compatible for use with propane floor care systems

HUSKY 800 Neutral Disinfectant Germicidal Cleaner

A powerful concentrated neutral ARB (Anti-biotic Resistant Bacteria) disinfectant-cleaner · Provides broad spectrum efficacy · For use in health care (hospitals), food handling (restaurants), educational (schools), public transportation

[terminals] and hospitality [hotels] facilities · Destroys Methicillin Resistant Staphylococcus Aureus (MRSA), Vancomycin Resistant Enterococcus Faecalis (VRE) and other dangerous bacteria and viruses (HIV-1, AIDS Virus) · Dilutes 2 oz. per gallon with water up to 250 ppm hardness (as CaCo3) · EPA registered · pH - 7.5 - 8

HUSKY 802 H/F Disinfectant Cleaner (*High Fragrance Mint-Pine-Lemon)

Quaternary based cleaner-disinfectant available with a high level of fragrance of mint, pine, or lemon. This broad spectrum bactericide is effective against a wide variety of gram positive and gram negative microorganisms at a dilution ratio of 5 oz. per gallon. EPA Registered. USDA Authorized.

HUSKY 803 *S/V Disinfectant (*Sanitizer / Virucidal)

An excellent EPA Registered disinfectant/sanitizer for use on food contact surfaces (1/4 oz. per gallon). Official test methods have shown it to be an effective bactericide, fungicide and virucide. Ingredients include 7.5% quaternary compound. USDA Authorized.

HUSKY 804 *G/P Disinfectant Cleaner (*General Purpose/Non-Acid)

An effective, ready-to-use, one step dual quaternary, EPA Registered, hospital type, disinfectant cleaner with fungicidal and mildewstat properties. Detergent based, foaming formula, thickened for better vertical cling and extra cleaning power, excellent multi-surface cleaner. HIV-1 (AIDS) effective. Herpes Simplex II effective. USDA Authorized.

HUSKY 805 C/D Neutral Disinfectant Cleaner (*Concentrated Disinfectant)

Combines the activity of a dialkyl quaternary with powerful cleaning agents, buffered to a neutral pH for no-rinse cleaning and disinfection · ARB (Anti-biotic Resistant Bacteria) · It provides broad spectrum effectiveness against gram-positive and gram-negative bacteria including VRE strains and MRSA (Methicillin Resistant Staphylococcus Aureus), viruses (including HIV-1, the AIDS virus), and pathogenic fungi (including T. mentagrophytes the athlete's foot fungus) in the daily struggle to control cross-contamination and reduce the

spread of infection. · Cleans and disinfects in one step pH - 7.0

HUSKY 806 *H/D/N Neutral Hospital Disinfectant (*High Dilution Neutral)

A hospital type quaternary based germicidal cleaner with a high dilution formulation for maximum efficiency · ARB (Anti-biotic Resistant Bacteria) · Safe on a wide variety of hard surfaces · Proven to be an effective bactericide, fungicide, mildewstat, virucide and sanitizer · Testing in accordance with AOAC shows this product to be a hospital grade disinfectant effective in the presence of 5% serum contamination vs. many gram-negative and gram-positive bacteria including VRE & MRSA · pH - 7.0

HUSKY 810 *T/B Concentrated Hospital Disinfectant (*Tuberculocidal)

A concentrated hospital or critical health care disinfectant. EPA registered as a tuberculocidal. Triple phenolic activity, dual detergent system provides powerful cleaning/disinfecting performance. Phosphate free. Free rinsing. Highly dilutable, 1 oz. per gallon of water.

HUSKY 814 *Q/T Tuberculocidal Spray Disinfectant Cleaner (*Quat Tuberculocidal)

Bloodborne Pathogen compliant · Ready to use...no dilution requirements · Quat based...Tuberculocidal efficacy · Kills HBV, VRE, VRSA, MRSA & HIV (AIDS) · EPA Registered...hospital grade disinfection · Lemon Fragrance...not overwhelming to end-users · Rinsable...won't leave behind film · HIV...effective virucide in 5% blood serum · pH - 12.5 · USDA-C2

HUSKY 815 Ultra Spray Disinfectant

This disinfectant is an herbal scented, dual chain quaternary ammonium/high level alcohol solution. Use in health care and alternate care settings such as hospitals, intensive care units, emergency medical settings, central supply, laboratories, clinics, nursing homes, and dental suites. It is effective in one minute against the following pathogens on hard, non-porous surfaces when used as directed: HIV-1 (AIDS Virus), Methicillin Resistant Staphylococcus aureus (MRSA), Vancomycin Resistant Enterococcus faecalis (VRE), Staphylococcus aureus (Staph),

Pseudomonas aeruginosa, Salmonella choleraesuis, Escherichia coli [E.coli], Adenovirus type 2, Herpes Simplex Virus type 2 (genital herpes virus), Trichophyton mentagrophytes [Athlete's Foot fungus], Mycobacterium bovis [Tuberculosis bacteria] [5-minute contact time required]*.

HUSKY 820 *H/B/V T Concentrated Hospital Disinfectant (*Hepatitis B)

Kills HBV and HIV-1. Concentrated hospital cleaner disinfectant • Combines broad spectrum germicidal activity with optimal cleaning efficiency at 2 oz. per gallon [1:64 dilution ratio] • Fungicidal... Mildewstatic... Virucidal • EPA Registered • HBV and HIV-1 [AIDS] effective • pH - 11.75 • USDA-C2

HUSKY 830 Food Service Sanitizer (RTU)

Perfect for CIP [Clean in Place] operations requiring an air dry quaternary based sanitizer. May be used in Food Service, Daycare, Schools, and Health Care settings. Ready to Use. 200 ppm quat. No chemical mixing. USDA D2 Equivalent.

HUSKY 890 Veterinary Disinfectant Cleaner

Combines the activity of a dual quaternary with powerful cleaning agents buffered for one-step cleaning and disinfection • Provides broad spectrum effectiveness against gram-positive and gram-negative bacteria and Viruses • Kills Norovirus & Pseudorabies Virus as well as Canine Distemper Virus, Adenovirus Type 2, Canine Coronavirus, & Canine Parvovirus, Kills Feline Calicivirus, Feline Rhinotracheitis in the daily struggle to control cross-contamination and reduce the spread of infection in the veterinary environment • Kills Bovine Viral Diarrhea Virus • Cleans and disinfects in one step • Highly dilutable 1 oz. to 4 oz. per gal. of water • pH - 9.0

HUSKY 891 Arena Disinfectant (* Concentrated Disinfectant)

Kills CA-MRSA USA-300 & 400 Strains • Combines the activity of a dialkyl quaternary with powerful cleaning agents, buffered to a neutral pH for no-rinse cleaning and disinfection • ARB [Antibiotic Resistant Bacteria] • Provides broad spectrum effectiveness against gram-positive and gram-negative bacteria including VISA, VRE strains and MRSA [Methicillin Resistant Staphylococcus Aureus], viruses [including HBV, HCV and HIV-1, the AIDS virus], and pathogenic fungi [including T. mentagrophytes the athlete's foot fungus] on

artificial turf, sports equipment, playground equipment, exercise mats and more! Bloodborne pathogen compliant • Cleans and disinfects in one step • Highly dilutable 1 oz. per gal. of water • pH - 7.0

HUSKY 900 Industrial Strength Degreaser

A heavy-duty degreaser, wax stripper, and cleaner designed for handling tough jobs. Instantly dissolves heavy grease, carbon deposits, soap scum and rubber burns. Non-flammable. Wets quickly and penetrates deeply. USDA Authorized.

HUSKY 901 Solvent Based Industrial Cleaner/Degreaser

Specifically formulated for heavy duty-cleaning. High concentration of emulsifiers and solvents, maintaining a high alkalinity even when diluted. For use as a concrete cleaner, on exhaust hoods, air filters, road equipment, and engines of various types. Biodegradable. Performs superb in dip tanks and as a spray and steam cleaner. USDA Authorized.

HUSKY 902 Non-Butyl Industrial Detergent Complex

A high-alkaline, non-butyl type cleaner/degreaser. Formulated without butyl, product is designed to be particularly effective where cutting and lubricating oils are used. Holds grease and oil in suspension for extended periods. Superb for dip tanks and spray cleaning of metals. Leaves the area with a pleasant fragrance. USDA Authorized.

HUSKY 903 Food Service Foaming Degreaser

A high-foaming, deep-penetrating food service cleaner and degreaser. Heavy-duty, fast-acting food service cleaner/degreaser for use in federally inspected meat and poultry processing plants. Product may be applied with foam applicators, pressure washers, and steam cleaning devices. USDA Authorized.

HUSKY 904 Citrus Foaming Spray & Wipe Cleaner

Foaming Spray & Wipe type cleaner fortified with natural solvents extracted from orange peels. Excellent versatility. Pleasantly scented. USDA Authorized.

HUSKY 905 Enviro-Care Natural All Purpose Degreaser

An environmentally conscious, highly concentrated degreaser with natural solvents (d-Limonene) for superb cleaning and degreasing. Pleasantly scented. Biodegradable. Non-Flammable. USDA Authorized.

HUSKY 906 *O/O RTU Multi-Purpose Cleaner & Degreaser

Two powerful environmentally preferable technologies. Designed to whiten, brighten, and deodorize. Removes soils from hard and soft surfaces including floors, walls, tile, grout, fabrics, vinyl, leather, wood, upholstery, stainless steel and more. Natural citrus solvents. Trigger sprayer in each case. Ultra refined HyPOX-7 Oxidizer. USDA A4 Equivalent, pH 3.2.

HUSKY 907 *O/O Concentrated Multi-Purpose Cleaner & Degreaser

Two powerful environmentally preferable technologies. Designed to whiten, brighten, and deodorize. Removes soils from hard and soft surfaces including floors, walls, tile, grout, fabrics, vinyl, leather, wood, upholstery, stainless steel and more. Natural citrus solvents. Ultra refined HyPOX-7 Oxidizer. USDA A4 Equivalent, pH 3.5.

HUSKY 910 Industrial Strength Spray & Wipe Cleaner Degreaser

This product is designed to produce excellent removal of permanent ink marks from hard non-porous surfaces quickly and easily. Industrial and commercial versatility. Easy, fast OSHA compliant spray & wipe cleaning and degreasing without scrubbing, mixing or stocking dozens of specialty products on the shelf, maids cart or in the MRO cage.

HUSKY 911 Non-Chlorinated Industrial Solvent

Revolutionary. A non-flammable, aqueous-based industrial solvent designed to replace chlorinated solvents, ozone depleting dip tank cleaners and heavy-caustic degreasers. Safe on metal surfaces and contains flash rust inhibitors. May be heated to 180°F

HUSKY 1000 Semi-Permanent Resilient Floor & Concrete Sealer

Fills Resilient Tile pores quickly and easily · Acrylic base · Semi-Permanent seal · Can be removed with special stripper · May be used on certain

types of concrete and terrazzo floors · Achieves beautiful initial gloss · Meets or exceeds ASTM slip resistance requirements · UL Classified · pH - 8 · 15% NVS · Ideally compatible for use with propane floor care systems

HUSKY 1001 Versatile Premium Floor Sealer

Fills resilient tile and concrete pores quickly and easily · Limited stain resistance · Combines exceptional gloss enhancers with durability · Exceeds industry standard for slip resistance · Acrylic base · pH - 8 · 16% NVS

HUSKY 1018 High Gloss Economy Floor Finish

Can be used as a Sealer and a Finish · Highly durable · Visually enriched formula · Dries to a brilliant shine · Levels beautifully · Engineered with the latest polymer technology · Contains OPTIMA *G/E (*Gloss Enhancer) · Meets or exceeds ASTM slip resistance requirements · UL Classified · For low maintenance floor programs · pH - 9 · 18% NVS · Zone 1

HUSKY 1020 High Gloss Premium Floor Finish

Can be used as a Sealer and a Finish · For intermediate maintenance programs · Highly durable · Acrylic based · Fast drying · Combines excellent repairability and exceptional leveling · Dry bright gloss enhancer · Reduces mop drag · Exceeds industry standard for slip resistance · pH 8.5 · Zone 2

HUSKY 1022 Ultra Versatile Premium Floor Finish

Can be used as a Sealer and a Finish · Unmatched · This low odor ultra versatile floor finish dries bright and to an exceptional gloss · Combined with our highly durable, scuff resistant polymeric system, this finish is truly unmatched · Meets or exceeds ASTM slip resistance requirements · For low, medium and high maintenance programs · pH - 9.1 · Zone 1, 2, 3

HUSKY 1025 High Performance UHS Premium Floor Finish

Combines exceptional gloss with durability · Visually enriched formula · High non-volatile solids (NVS) provide greater floor protection and less

labor for high maintenance programs • UL
Approved • pH - 9.1 • Zone 3

HUSKY 1030 High Solids Premium Floor Finish
Can be used as a Sealer and a Finish • High solids means less coats, less waste & a lower total cost of application • This high solids floor finish dries bright and to an exceptional gloss • Combined with our highly durable, scuff resistant polymeric system, this finish is truly unmatched • Meets or exceeds ASTM slip resistance requirements • For intermediate maintenance programs • pH - 9.1 • Zone 2

HUSKY 1041 Multi-Purpose Rejuvenator
Detergent blended...suspends soils from the finish • Soil resistant...combination of surface surfactants and solvents • UHS compatible...finishes the job quicker • OPTIMA Gloss Enhancer...provides a brilliantly reflective shine • Meets or exceeds ASTM slip resistance requirements • May be utilized as a spray buff mop on restorer or auto scrubber floor cleaner/restorer • pH - 9 • Ideally compatible for use with propane floor care systems

HUSKY 1100 Traffic Lane, Bonnet Cleaner & Solvent Spotter
A concentrated, fast-acting, high traffic carpet cleaner. Three products (spot remover, bonnet cleaner, and pre-spray) in one. Superb iodine & betadine removal capabilities. Excellent for interim maintenance.

HUSKY 1110 Extraction Carpet Concentrate
A low-foaming concentrated, enzyme fortified carpet cleaner for extraction equipment. Removes greasy and oily soils. Safe for stain resistant carpeting.

HUSKY 1120 Dry Foam Carpet Shampoo
Generates a dry, dense, deep cleaning foam which dries to an easily removed powder. Optical brighteners, enzymes and anti-resoil polymers give premium performance.

HUSKY 1130 Foam Control Agent
A versatile, powerful foam control agent. Dilutable with water for extra economy. As little as 10 ppm can provide satisfactory control.

HUSKY 1140 Bio-Clenz Spot Cleaner
A high-foaming, bio-formulated spot cleaning treatment for synthetic carpeting. Deodorizes, cleans and digests residual carpet soils. Optical brighteners enhance carpet appearance.

HUSKY 1150 Tannin Spotter
A ready-to-use carpet spotter for beverage, urine and yellow oxidized stains. Pleasant fragrance counteracts malodors. Safe for natural fiber carpets.

HUSKY 1170 Carpet & Upholstery Protectant
An easy-to-use carpet and upholstery stain repellent. Repels water-based stains, resists oil and grease stains. Does not affect carpet-softness.

HUSKY 120 Furniture Polish (Lemon Oil Fortified)
An emulsion polish formulation that dusts and cleans • A rich blend of silicones, cleaners and lemon oil that cleans and polishes a variety of surfaces leaving behind a pleasant lemon fragrance and a hard, dust-free shine • Removes finger marks, smudges, grease marks and stains in one step

HUSKY 1201 Sweet Tropic Mist Air Freshener and Neutralizer
This product may be utilized on a variety of surfaces including drapes, carpets, upholstery, waste receptacle interiors, toilets, and urinals. This air freshener is specially formulated to eliminate offensive odors in the air without wet fallout. Will not leave a residue.

HUSKY 1202 Fresh Linen Scent Air Freshener and Neutralizer
This product may be utilized on a variety of surfaces including drapes, carpets, upholstery, waste receptacle interiors, toilets, and urinals. This air freshener is specially formulated to eliminate offensive odors in the air without wet fallout. Will not leave a residue.

HUSKY 1205 Oil Based Dust Mop Treatment
An easy-to-use product to control dust on most surfaces. Spray it on dusting tool with our "fine-mist" delivery system to prevent dust from remaining or scattering. Reduces airborne dust when cleaning which protects the built environment and extends the life of floor finish.

HUSKY 1207 Gelled Baseboard Stripper

A heavy-duty cleaner and stripper for build-up on baseboards, in corners, and other hard to reach areas. Clinging gel provides hang time and extra penetration power to lift off even the heaviest accumulations. Inverted valve allows for convenient application with maximum economies.

HUSKY 1210 Stainless Steel Cleaner Polish

Specially formulated to clean, polish and protect stainless steel and a wide variety of other surfaces in one step · Will not leave behind an oily residue but will resist fingerprints, grease and water spatter with a protective coating · USDA-A7

HUSKY 1211 Stainless Steel Cleaner & Polish (Oil Based)

Specially formulated to clean, polish, and protect stainless steel and a wide variety of other surfaces in one step. Will not leave behind an oily residue but will resist fingerprints, grease, and water spatter with a protective coating.

HUSKY 1220 Glass, Plastic & CRT Cleaner

For cleaning and polishing glass, mirrors, computer screens, and other non-porous surfaces · Easy-to-use, fast-acting product uses a clinging foam to break up soils and hold them - even on vertical surfaces · No dripping, no running and no streaking · Exclusive formulation using denatured alcohol and no ammonia · USDA-C1

HUSKY 1225 All Purpose Spray & Wipe

Formulated with a natural orange citrus solvent (d-limonene) that cleans and deodorizes most surfaces · Contains no chlorinated solvents, petroleum distillates or glycol ethers · 99% biodegradable, non-toxic and can be used on washable, painted surfaces · USDA-C1

HUSKY 1229 Vandalism Mark & Stain Remover

Engineered specifically to remove vandal marks from a variety of surfaces. A unique blend of solvents are used to remove crayon, pencil, ink, spray paint, and lipstick. Also ideal for removing tape residue, scuff marks, and waxes. Care should be taken when using on synthetic surfaces such as rubber, asphalt tile, and plastics.

HUSKY 1230 Disinfectant Deodorant

For your disinfecting jobs after cleaning · Phenol-based, lemon-scented product that disinfects HIV-

1 (AIDS Virus), Polio Virus Types 1 and 2, Influenza A2/Hong Kong Virus and Herpes Simplex Virus Types 1 and 2 on inanimate environmental surfaces · Excellent for use in health care settings such as hospitals, nursing homes, schools and institutions · USDA-C1

HUSKY 1240 Foaming Disinfectant Cleaner

All purpose cleaner that cleans, disinfects and deodorizes all in one easy step · Cleans & disinfects without scouring or scratching surfaces · Will disinfect Influenza A2/ Japan Virus and Herpes Simplex Virus Types 1 and 2 on hard inanimate nonporous environmental surfaces · USDA-C1

HUSKY 1250 Chewing Gum Remover

Easily removes chewing gum, candle wax, putty and other gummy substances from many surfaces · Makes the messy job quick and neat by freezing the substance · There is no staining or chemical residue left behind · No chemicals that will reduce ozone in the upper atmosphere

HUSKY 1255 Foaming Oven & Grill Cleaner (Heavy Duty Formula)

This rich foaming, heavy duty formula is safe on porcelain, ceramics, stainless steel and cast iron surfaces · Our solvent system cuts through heavy grease, baked-on foods and carbon stuck to ovens, grills, hoods and drip pans · The heavy duty foaming properties provide excellent cling contact time allowing the active ingredients to penetrate deeply into thick build-up · USDA - F1

HUSKY 1260 Flying Insecticide (Pleasantly Scented)

Formulated with the synthetic pyrethroids Resmethrin and Esbiothrin SBP-1382® for a highly effective attack on flying and crawling insects · USDA classification, along with a pleasant fragrance, makes this product an excellent choice for food handling and processing facilities · USDA-F1

HUSKY 1270 Residual Insecticide (For Crawling Insects)

Pleasantly scented insecticide combines Diazinon and Pyrethrins to kill a wide variety of crawling insects · Fast knockdown and a residual spray that

keeps on killing · May be used in food areas as a spot treatment · USDA-F1

HUSKY 1280 Wasp & Hornet Insecticide

This fast acting wasp and hornet killer contains special synthetic pyrethroid active ingredients that literally stop pests in flight. Long range spray allows killing these insects while standing up to 20 feet away from their nests. Powerful blast valve for rapid delivery and saturation of nests.

MAXI-BLEND 2000 All Purpose Cleaner

Multi surface synthetic all purpose cleaner. Superb chemical balance to wet, penetrate, emulsify and suspend soil. Totally free of harsh alkali, soap, ammonia, or abrasives. USDA Authorized

MAXI-BLEND 2010 Degreaser Cleaner

A remarkably fast-acting high performance degreaser formulated to handle the toughest jobs. Fortified with natural solvents (d-Limonene) extracted from orange peels. Superb fragrance. USDA Authorized.

MAXI-BLEND 2020 Glass & Plastic Cleaner

A non-streaking, anti-static, glass, plastic, and hard surface cleaner. Contains exclusive A-24 polishing agent. Pleasantly fragranced. USDA Authorized.

MAXI-BLEND 2030 Bowl, Bathroom & Multi-Surface Cleaner

Quaternary based cleaner-disinfectant. Superb bowl, bathroom & multi-surface cleaner. Powerful deodorant. Broad spectrum bactericide with excellent benefits. EPA Registered. USDA Authorized.

MAXI-BLEND 2040 Odor Digestant / Counteractant Vanilla

A truly revolutionary new odor digestant combines powerful deodorant with specially bred bacteria. Provides long-lasting odor elimination. Leaves a pleasant vanilla fragrance. Minimum 200 billion per gallon.

3410 JAWS Tile, Grout & Bathroom Cleaner & Degreaser

A mild acid combined with unique grease-releasing agents to brighten grout lines, chrome, fiberglass, and tile surfaces. Removes grease, oils, soils, body oils, soap scum, hard water stains and uric salts

from restroom surfaces. Revive your tile surfaces to their original luster. USDA C2 Equivalent. pH 1

3421 JAWS Glass, Plastic & CRT Cleaner

A specially formulated glass, plastic and CRT cleaner designed for use on glass, lexan, lucite, mirrors, menu boards, and other surfaces not harmed by water. This fresh blue formula utilizes a special combination of soil suspending detergents, and wetting agents to quickly remove soil smudges, grease and finger prints without streaking. Anti-static to repel airborne dirt. USDA C1 Equivalent, pH 7.8

3604 JAWS Liquid Malodor Counteractant (mountain fresh)

Liquid malodor counteractant eliminates odors leaving behind a fresh, pleasant scent. This product may be utilized on a variety of surfaces, including drapes, carpets, upholstery, waste receptacle interiors, toilets, and urinals. This product is used as a heavy duty counteractant on HVAC ducts, carpets, and draperies. USDA C2 Equivalent, pH 6.8

3803 JAWS Food Service Sanitizer

A powerful sanitizer for food contact surfaces and food processing equipment which does not require a potable water rinse. Based on a twin chain quaternary compound to provide maximum efficiency. Formulated without color or fragrance, making it acceptable for use in meat and poultry plants. USDA D2 Equivalent, pH 12.5

3805 JAWS Germicidal Cleaner

Our disinfectant combines the activity of a dialkyl quaternary with powerful cleaning agents, buffered to a neutral pH for no rinse cleaning and disinfection. It provides broad spectrum effectiveness against gram-positive and gram-negative bacteria including Staphylococcus Aureus (Methicillin Resistant) and VRE stains, viruses (including HIV-1, the AIDS virus) and pathogenic fungi (including T. mentagrophytes the athlete's foot fungus) in the daily struggle to control cross contamination and reduce the spread of infection. USDA D1 Equivalent, pH 7.5

3910 JAWS Multi-Purpose Degreaser

This powerful spray and wipe degreaser cleaner combines powerful grease cutting agents with a unique vandalism mark remover to eliminate problem soils and permanent ink marks. This

premium, residue free spray and wipe cleaner provides a multitude of applications including removing work station soil buildup, inks from table tops, countertops, walls, and everyday grease, grime, oils, and lubricating compounds. USDA C1 Equivalent, pH 12

3700 JAWS Deep Scrub Multi-Purpose Cleaner

Provides outstanding deep scrub performance. Highly concentrated. One pouch yields 4 gallons of ready to use product. Synthetic multi-purpose detergent complex for all surfaces not harmed by water. Delivers quick wetting action with controlled suds. Non-butyl. Hassle free point-of-clean proportioning. No mechanical mixing. USDA A4. Portion pouch saves steps, time, and money. pH 11.2

3702 JAWS Neutral Damp Mop Cleaner

Highly concentrated. One pouch yields 4 gallons of ready to use product. Neutral floor cleaner designed for daily use on high gloss floor and finishes. Recommended for damp mopping. When used as directed, rinsing is not necessary. Particularly effective for heavy traffic areas. Leaves no film or streaks. UL Classified. Hassle free point-of-clean proportioning. No chemical mixing. USDA C1. Portion pouch saves steps, time, and money. pH 7.0

3806 JAWS Neutral Disinfectant Damp Mop

A broad spectrum quaternary based germicidal cleaner with a high dilution formulation for maximum efficiency. ARB (Antibiotic Resistant Bacteria). Safe on a wide variety of hard surfaces. Proven to be an effective bactericide, fungicide, mildewstat, virucide, and sanitizer. Disinfectant effective in the presence of 5% serum contamination vs. many gram-negative and gram-positive bacteria including VRE and MRSA. One pouch yields 4 gallons of ready-to-use product. Hassle free point-of-clean proportioning. No mechanical mixing. Portion pouch saves steps, time, and money. pH 7.0

HUSKY 5001 Touchless soap dispenser

Our state of the art Touch Free EDD technology reduces the threat of cross contamination and waste. Precise, pre-measured dispensing allows concentrated formulas that require only 1 ml. per hand wash to effectively clean hands and skin. Our superior electronics allow for maximum battery life yielding over 130,000 hand washings per set of 4

D cell alkaline batteries. Touchless dispensing promotes hand washing, therefore reducing the threat of cross contamination. Vector infra-red emitters prevent unsolicited discharge. Captive 16.6 oz. cartridges designs are available. Three convenient settings allow user to choose between 1, 3 and 5-ml. dosages. Electronic Deterrent Delay technology disallows user to continue acquiring soap while holding hand underneath infra-red eye. Each 16.6 oz. cartridge delivers over 500 hand washings.

HUSKY 5105 1500 ml large capacity bag in box hand soap dispenser

Easy open design allows back plate to become fully covered by the smooth, easy to clean front shell, Euro design. Sturdy sight glass indicates low soap levels. Will dispense 1500 ml bags and Bag in Box configurations. ADA complaint, bone white acrylic finish, mounting screws and two sided tape included. 10"Hx5.25"Wx3"D
