## Carpet Cleaner

### **522 Spotter Traffic Lane Cleaner**

Is a butyl based spotter/TLC designed to be used for the removal of heavy grease and oil as would be found in restaurants, car dealerships, and heavily soiled industrial areas.

## Floor Cleaners

### **204 Sassafrass Neutral Cleaner**

Same as Lemon Clean with a sassafrass scent.

### **205 Citrus Neutral Cleaner**

Our most popular! Contains a high concentration of D-Limonene for cutting grease and heavy soil. Fresh citrus scent. Cleans floors, walls, and cut back makes a great spray and wipe cleaner.

## Floor Finishes/Strippers

### **218 Quick Strip Floor Stripper**

A Low Butyl, Clear, Low alkaline, Floor Stripper that works better than old fashion highly corrosive floor strippers. Strips quicker with less odor and less fumes. Safer on the user and safer on floors. Practically odorless. Slow evaporation rate allows the user to strip a much larger area at a time. Safer to use without the fumes of a butyl stripper.

### **227 Dura Gloss Floor Finish 18%**

Metal interlock, acrylic floor finish designed for durability and heavy industrial usage. Although gloss is achieved without buffing, floors may be high or low speed buffed with a spray buff maintainer. The addition of select resins and waxes increase gloss and produce a

truly premium level finish. Will compete with high quality national brands. Extremely User Friendly. A fast drying ultra durable floor finish with exceptional buffability. Provides diamond like clarity and brilliant gloss and superior leveling. Saves enormous amounts of time and labor by requiring less maintenance. Very forgiving, especially in humid weather or on cold floors.

### **231 Floor Sealer**

Is a water based, acrylic removable sealer designed for the sealing and protection of all resilient tile floors. Completely compatible as an undercoat for any acrylic finish.

### **242 Speed Buff Maintainer**

Is ready to use version of our Speed Buff Maintainer. No need to dilute.

### **251 Oil Base Dust Mop Treatment**

100% oil. Simply spray small amount on mop or cloth for total dust pick up. Totally volatile.
