We realize that not all of our customers are large organizations employing hundreds. In these especially difficult economic times TJ Russell Supply would like to extend a special offer to those businesses requiring smaller quantities of product so that they have an opportunity to **SAVE** as much money as possible. This offer is available to businesses and their employees.

GREAT FOR HOME OR OFFICE

We are able to offer such savings by packaging several of our Ships Wheel Brand line of products into an assortment case:

- Citrus Neutral Cleaner concentrate can be used for washing floors as well as a great spray and wipe cleaner. It contains a high concentration of D-Limonene for cutting grease and heavy soil and also leaves a fresh citrus scent.
- Non Acid Bowl Cleaner is a thick bright blue bowl cleaner with a clean fresh scent.
- Non Acid Disinfectant Cleaner is great on hard, non-porous surfaces including Granite counter tops. Ready to use with a clean fresh scent. Cleans, disinfects, and shines. EPA-registered. For use as a disinfectant, cleaner, virucide, and deodorizer.
- Glass Cleaner is a fast drying and streakless ready to use spray and wipe cleaner.

Please post this special in your break area to extend this special offer to all of your employees. Orders delivered to employees' residences must be paid for by VISA, Mastercard, or American Express.
