SHIPS WHEEL BRAND

TJ Russell Supply's private label items have been produced with high quality, reduced health risks, safety and the environment in mind for over thirty years.

The Ships Wheel Brand line includes: all purpose cleaners, restroom maintenance products, carpet cleaning chemicals, EPA registered disinfectants, deodorizers and odor control products, as well as restaurant and food service products.

Indicates Ships Wheel Brand's most popular sellers.

Cleaners/Degreasers

Blue Thunder-APC II /B 101

A heavy duty butyl based alkaline cleaner degreaser. Excellent for degreasing engines and concrete floors. pH 13-14

Work Horse-APC II 102

A non-butyl alkaline cleaner degreaser effective on all types of oil, grease and grime. Makes a great industrial kitchen degreaser. pH 13-14

Pink Degreaser 107

Quickly and easily removes grease, oil, and grime. Can be used either manually or with a high pressure washer. Highly economical in use dilutions and non flammable. Recommended for a variety of surfaces, from heavily soiled industrial kitchens and machinery to lightly soiled surfaces.

Alkaline Plus 109

Butyl based, heavy duty, alkaline, wide spectrum cleaner degreaser. This heavy duty formula produces excellent cleaning results over a wide range of soil conditions. Alkaline Plus is effective on all types of soils, oils and greases, even degreasing engines.

PSI Cleaner 135

PSI is an excellent cleaner for most power washing applications. Makes a great cleaner for buildings and

houses. Excellent for use on vinyl siding, wood, or brick. For use as a power wash cleaner on trucks, buses, and industrial equipment where a heavy duty cleaner is required to remove grease, oil, carbon and heavy buildup of road film.

Performance Plus 138

Our most effective cleaner degreaser. Removes grease and soil not only quickly and easily but does it safely. Contains a special protectant which leaves surfaces bright and shiny. Great on tile, autos and boats. Makes an excellent power wash detergent.

NBC Degreaser 147

A non-butyl, non-caustic, heavy duty, cleaner degreaser. Makes a great heavy duty, safe, cleaner degreaser and truck wash.

Green Clean - All Purpose Cleaner 140

No Solvents. More efficient cleaning power. An ecologically sound, environmentally conscious, concentrated all-purpose cleaner, formulated to quickly penetrate, emulsify and remove all types of soils.

Tile Cleaner 340

A butyl based alkaline liquid cleaner degreaser designed for use in hard surface cleaning and degreasing application. It is a formulation of controlled low suds type cleaner and may be used in conjunction with most floor maintenance equipment.

Citrus Solv II 752

A solvent derived from orange peels. Citrus Solv II has twice the grease cutting power of mineral spirits, has a pleasant orange scent, is far safer to use than petroleum or chlorinated solvents, and is ecologically sound. Citrus Solv II contains detergents and emulsifiers to enable it to be mixed with water.

Glass Cleaners

Glass Cleaner 141

A fast drying and streakless glass cleaner. Ready to use. No need to dilute. Excellent spray and wipe for light duty cleaning.

Absolute Glass Cleaner 143

Zero VOC's. No alcohol, ammonia, glycol ether or solvents. Ready to use, fast drying, streakless glass cleaner. Light duty spray and wipe cleaner.

Glass Cleaner Concentrate 142

May be diluted 4:1 with water for an excellent cleaner on glass, appliances, countertops etc. Economical.

Glass Cleaner Super Concentrate 20:1 146

May be diluted 20:1 with water. An excellent cleaner on glass, appliances, countertops etc. Economical. 1 quart (32 ounces) makes 5 gallons of product.

Hand & Shower Soaps

Pink Lotion Hand Cleaner 154

Our most popular. A thick, pink, pleasantly scented lotion hand cleaner. Mild on hands, tough on dirt.

Liquid Hand Cleaner 155

Clear green liquid hand cleaner. Ideal for situations where a less viscous hand cleaner is desired.

Premium Shower Soap 156

A high foaming, pH balanced white pearlized shower soap with a fresh clean scent. Made only from cosmetic grade materials. Great for use in health clubs, spas, etc.

Cucumber Melon Moisturizing Hand Soap 157

A thick, clear light green and pleasantly scented lotion hand cleaner. Mild on hands, tough on dirt.

Anti-Bacterial Hand Soap 158

Kills germs. Premium level, high foaming lotion hand cleaner. Thick, rich, gold lotion soap. Active ingredient: P-CHLOROXYLENOL. (PCMX)

Pumice Hand Cleaner 159

Contains baby oil and special skin conditioners to soften hands. A thick, light orange hand cleaner containing pumice and D-Limonene to cut grease and remove dirt and grime.

Restroom Cleaners

Elite Shower Cleaner 132

A unique, biodegradable formula that effectively removes scale, calcium, hard water spots, soap scum and body oils, without offensive odors or the need for aggressive scrubbing. Cleans fiberglass, plexiglass, ceramic, aluminum, stainless steel, brass, chrome, and porcelain.

ZAP Mineral Attack 133

Attacks hard water stains, mineral stains, iron spots, rust, lime scale and soap scum. ZAP Mineral Attack is a safe, low pH, organic salt which outperforms traditional acids in many cleaning applications.

Power Bowl 148

A thick pink acid bowl cleaner with a mint scent. Contains a high level of phosphoric acid.

Non Acid Bowl Cleaner 150

A thick bright blue bowl cleaner with a clean fresh scent. Excellent cleaner!

Peroxy-O 152

A highly concentrated, hydrogen peroxide fortified multi-purpose cleaner, degreaser and deodorizer. Consists of a blend of Orange Oil, biodegradable detergents, and hydrogen peroxide that provide heavy-duty cleaning power without use of chlorine bleach, phosphates or butyl solvents.

Neutral Floor Cleaners

Pine Cleaner/Deodorizer 161

This economical multi-purpose pine cleaner is a combination of synthetic detergents and real pine oil. This fast acting formulation is designed to emulsify and safely remove all types of grime, grease, oil, and other soils.

Orange Breeze Neutral Cleaner 199

A clear orange neutral cleaner containing optical brightener and orange fragrance. Its high detergent level makes it ideal for cleaning walls, floors, counter tops and other surfaces not affected by water.

Winter Neutral Cleaner 200

A new blend of surfactant designed to produce a clean floor in the presence of high levels of salt and other ice melt materials without harming floor finish.

Soil Screen Separator 202

Soil Separator Detergent is a powerful detergent that ionically charges dirt and soil and separates it from the cleaning solution and the mop, dropping it to the bottom of the bucket. The soil filters through the separator and settles to the bottom of the bucket. The separator keeps the mop from stirring up the soil, allowing the mop to continually be rinsed, and the floor continually cleaned, with a clean fresh solution.

Lemon Clean 203

A concentrated neutral floor cleaner with a pleasant lemon scent. Its powerful wetting properties leave a clean, bright surface without film.

Sassafras Neutral Cleaner 204

A concentrated neutral floor cleaner with a sassafras scent. Its powerful wetting properties leave a clean, bright surface without film.

Citrus Cleaner 205

Our most popular! Contains a high concentration of D-Limonene for cutting grease and heavy soil. Fresh citrus scent. Cleans floors, walls, and cut back makes a great spray and wipe cleaner.

Floor Cleaner/Neutralizer 206

This no rinse neutralizer was formulated to compliment our finish and restorer. Daily mopping with this balanced blend of organic acids and non-alkaline cleaners will not wear on, or in any way alter the surface of the finish. Most floor finishes are sensitive to alkali and all strippers are highly alkaline.

Purple Rain 207

Cleans and leaves a long lasting fresh scent. No residue left, no need to rinse. Use to remove grease, grime and dirt while leaving a fresh lavender fragrance behind.

Optically Enhanced Neutral Blue 208

A bright blue neutral floor cleaner. Contains optical brightener to brighten floors when dry. Controlled foam makes this product ideal for use in automatic scrubbers. Clean Fresh Scent.

Neutral Green Floor Cleaner 245

Non-Flammable. Non-Toxic. Neutral pH. Phosphate Free
This No-Rinse Floor Cleaner is a super concentrated formula with only biodegradable surface active agents. It removes surface dirt without hurting the shine. Lifts and neutralizes haze left by chemical ice melter. This environmentally responsible floor cleaner can be mopped on or used in automatic scrubbers.

Floor Finishes**Top Shelf Floor Finish 221 & 222**

Top Shelf produces a high gloss, durable, long-lasting finish on floors. Its high-solids formulation is very durable, and is designed for UHS burnishing. It will quickly build to produce a high gloss "wet-look" finish with fewer coats, and with great rebound ability. Top Shelf is appropriate for use on vinyl composite tile, rubber, asphalt tile, vinyl asbestos, cork, sealed concrete, terrazzo, and other floor surfaces. Available in 23% and 30% solids content.

Urethane Fortified Finish 223

Urethane Finish produces a high gloss, durable, long-lasting finish on floors. Its high-solids formulation is very durable, and is designed for UHS burnishing. It will quickly build to produce a high gloss "wet-look" finish with fewer coats, and with great rebound ability.

Dura Gloss Floor Finish 227 & 228 & 229

Metal interlock, acrylic floor finish designed for durability and heavy industrial usage. Although gloss is achieved without buffing, floors may be high or low speed buffed with a spray buff maintainer. Provides diamond like clarity and brilliant gloss and superior leveling. Saves enormous amounts of time and labor by requiring less maintenance. Very forgiving, especially in humid weather or on cold floors. Available in 18%, 22% and 25% solids content.

Industrial Concrete Sealer 230

An acrylic urethane sealer for industrial use where durability and improved chemical resistance is required. Concrete Sealer has no harmful odors, dries to a clear, colorless film. Cures quickly for minimum downtime.

Floor Sealer 231

A water based, acrylic removable sealer designed for the sealing and protection of all resilient tile floors. Completely compatible as an undercoat for any acrylic finish.

Sports-Guard 233

Water Based, Urethane Wood/Synthetic Sports Floor Finish, High Gloss, Fast Drying, Extra Durable, Easy to Apply, Non-Flammable, Excellent Leveling. Recommended for use on wood floors for athletic use and for commercial and residential applications.

Check Out Floor Finish 235

This finish is an extremely hard acrylic floor finish. Although it may be buffed, it has a high initial gloss without buffing. Effective in high traffic areas where buffing is not practical or may not be possible. *Also know as Titanium.*

Terra-Stone 236

A water based, acrylic removable Sealer/Finish designed for the sealing and protection of cement, quarry tile, concrete, marble, slate, stone, terrazzo, and other difficult to seal floors. Its ability to withstand the alkalinity of concrete and the ion charge of most stone type floors, make it ideal for these floors.

Zinc Free Finish 244 & 247

High gloss, easy to apply, environmentally preferred finish. Extremely durable and responsive to high speed burnishing. Low Voc's. APE Free. Available in 18% and 22%.

Floor Maintainers**Recover Floor Maintainer 241**

A modified acrylic emulsion specifically designed as a spray buff floor maintainer. Aids in cleaning as well as covering scratches and scuff marks. Buffs up to a high gloss with high or low speed buffing while increasing slip resistance.

Speed Buff Maintainer 242

Ready to use version of our Recover.

Clean & Shine 243

A high speed cleaner and maintainer for automatic use. Repairs scuffing and scratching while leaving a buffable micro-layer after automatic scrubbing.

Floor Buffing Gel 244

A one-step maintainer in a gel! Apply a small amount to clean floor and buff to a brilliant gloss. Available in quart bottles with flip top caps.

Oil Base Dust Mop Treatment 251

100% oil. Simply spray small amount on mop or cloth for total dust pick up. Totally volatile.

Floor Strippers**Scrub and Recoat 121**

A butyl based spotter/traffic lane cleaner designed to be used for the removal of heavy grease and oil as would be found in restaurants, car dealerships, and heavily soiled industrial areas.

Heavy Duty Mop & Strip 211

Designed to be the ultimate in a truly heavy duty stripper. Highly concentrated to remove the heaviest build up of metal interlock finishes and sealers.

Quick Strip Floor Stripper 218

A low butyl, clear, low alkaline floor stripper that works better than old fashion highly corrosive floor strippers. Strips quicker with less odor and less fumes. Safer on the user and floors. Slow evaporation rate allows the user to strip a much larger area at a time.

Green Stripper 5:1 Concentrate 246

No phosphates, butyl free, non-caustic. Non-Corrosive per DOT. Floor Stripper is a super concentrated finish stripper. This stripper is fast penetrating and simple to use. It has been designed to be especially effective on today's Green finishes.

Carpet Cleaners**Neutra Steam Extraction Detergent 500**

Designed for use on new generation carpeting. Neutral pH. Contains no phosphates. Contains fluorosurfactants which aid in restoring soil repellency.

Heavy Duty Extraction Detergent 502

A highly concentrated detergent designed for use with hot water extraction machines. A non-foaming, truly reliable extraction detergent. pH 9-9.5

Soil Retardant Carpet Shampoo 510

A concentrated, high foaming blend of detergents designed for use with rotary brush carpet shampooers.

Bonnet Shampoo 513

Designed for use with the new spin bonnet carpet shampooers. Leaves carpet dry. Ideal for use in heavily traveled areas, hotel lobbies, restaurants, etc.

Traffic Lane Cleaner 521

A moderately alkaline blend of surfactants, solvents and builders designed to be used as a carpet pre-spray on heavily soiled areas. Exceptional soil removal properties on grease, oil and ground in dirt.

Spotter Traffic Lane Cleaner 522

A butyl based spotter designed to be used for removal of heavy grease and oil as would be found in restaurants, car dealerships, and heavily soiled industrial areas.

Carpet & Fabric Protector 540

A fluorochemical carpet and fabric protector designed to leave a protective coating on fibers which help prevent re-soiling of freshly cleaned or new carpets and upholstery.

No Odor 560

A carefully chosen blend of deodorizers designed to be added to detergent solutions to cover and control bad odors. Leaves a fresh clean scent.

No Foam 570

A concentrated liquid silicone emulsion formulated to control foam in extraction type carpet cleaning equipment.

No Brown 580

A moderately acidic liquid designed to neutralize excess alkalinity of detergents. Greatly reduces the potential of browning of fibers in the cleaning of carpets.

Odor Neutralizers**Fresh Breeze 725**

A true odor counteractant, not just a perfume. Use in restrooms, hotels, schools, office buildings, car dealerships, trash storage areas, lobbies and elevators, locker rooms, etc. Use as a space spray, additive to cleaning solutions and as a fabric/carpet freshener.

Island Breeze 730

Super Concentrated Water Soluble Deodorant. A fragrant floral scent with a bright pink color. Neutralizes malodors. Use in mop water, automatic or manual spray systems, extraction equipment, general air freshener, etc.

Spring Rain 731

Super Concentrated Water Soluble Deodorant. This product is a light green hue with a clean, fresh airy scent. Neutralizes malodors. Use in mop water, automatic or manual spray systems, extraction equipment, general air freshener, etc.

Lavender Dreams 733

Super Concentrated Water Soluble Deodorant. It is a beautiful bright violet color with a fresh lavender scent. Neutralizes malodors. Use in mop water, automatic or manual spray systems, extraction equipment, general air freshener, etc.

Green Apple Biozyme 761

Non-toxic when used as directed. Non-corrosive. 10x cleans and eliminates the source of odors. Contains surfactants for cleaning power, perfume for immediate odor control and stabilized enzymes for the digestion of organic wastes.

Vehicle Washes

Foamy Car Wash 301

A concentrated blend of anionic and nonionic surfactants designed for use in automatic car wash systems or for hand washing methods. Gentle to customers' cars and waxed surfaces, as well as the user's hands.

Carnauba Wax Car Wash 305

A new concept in detergent formulation with properties not available in other cleaners. The most difficult soils are quickly and safely removed. Contains super wetters to insure rapid and complete rinsing.

Vehicle Wash 310

Wide variety of uses. New concept in cleaners. Removes grease and soil not only quickly and easily but does it safely. Contains a special protectant which leaves surfaces bright and shiny. pH 10-12

Soy Based Products

Simply Soy Multi-Purpose Cleaner 171

Soy Cleaner is a unique, environmentally responsible, super concentrate designed to clean all types of surfaces without harming the surface leaving it streak free. Its unique pH balanced formula can be used as often as needed to remove all types of dirt and grime from the surface. Spray and wipe all countertops, walls or mop all floor surfaces.

Simply Soy Stone Enhancer 170

Stone Polish is specially designed to get a beautiful instantaneous shine to keep your precious polished stone looking its best. It will produce a deep, rich shine that will also protect the surface from contaminants such as food and hard water.

Simply Soy Stainless Steel Polish 172

All in one Cleaner-Degreaser polish. Soy Stainless Steel Polish is an economical, low VOC, non flammable, bio-based, environmentally sound product that can replace many common petrochemical based product that typically contain mineral oil. It leaves a high gloss, fingerprint resistant, protective shine, on all types of solvent resistant surfaces.

Laundry Care

Liquid Laundry Detergent 711

This heavy duty laundry detergent is a concentrated, heavy duty liquid detergent designed to produce excellent detergency. This combination of anionic and nonionic surfactants plus phosphates removes oil, grease and stubborn soil.

EPA Registered Disinfectants

DS 33-10 Disinfectant Sanitizer 605

Use Rates: Disinfectant @ 1 ounce per gallon. Sanitizes @ 4 ounces per gallon.

Formulation 200 606

A ready to use food contact surface sanitizer. No rinse on food contact surfaces.

Lemon Scented Disinfectant 610

A clear yellow product with a fresh lemon scent. Use Rate: 4 ounces per gallon. Disinfects, cleans and deodorizes in one labor saving step.

Mint Fragrant Disinfectant 611

A clear green product with fresh mint fragrance. Use Rate: 4 ounces per gallon. Disinfects, cleans and deodorizes in one labor saving step.

Pine Disinfectant 612

Contains real pine oil. Cleaner/Deodorant/Disinfectant. This product may be used on washable hard nonporous surfaces. Leaves a clean fresh pine scent. Effective against Staph and Salmonella.

5% Swimming Pool Algaecide 617

Kills algae in swimming pools and spas.

TB Quat Detergent Disinfectant 620

A ready to use disinfectant which kills TB and Canine Parvo virus. Excellent cleaner! Registered and labeled with a claim to inactivate MRSA viruses on hard, non-porous surfaces.

Non Acid Cleaner Disinfectant 622

Disinfectant, Cleaner, Virucide*, Deodorizer for hospitals, nursing homes, institutional, industrial, school, and restaurants. Ready to use with a clean fresh scent. Great for use on granite counter tops - cleans, disinfectants and shines. Registered and labeled with a claim to inactivate "Avian Influenza A" (Bird Flu) viruses on hard, non-porous surfaces.

Summer Wind 624

Neutral pH. Non-dulling to floor finishes. One-step disinfectant and deodorant. Spring clean scent. Use Rate: 2 ounces per gallon. Exceptional control of a wide range of organisms. Registered and labeled with a claim to inactivate MRSA viruses on hard, non-porous surfaces.

Parvocide 625

Fresh green apple scent. Disinfectant, cleaner and deodorant. Primarily designed for animal shelters, veterinary clinics, life science laboratories, zoos, pet shops, breeding and grooming establishments. Use Rate: 2 ounces per gallon. 8 oz for Parvo Claim.

Absolute 256 626

1 - 2 oz per gallon. Hospital grade disinfectant. Disinfectant, cleaner, mildewstat, fungicide, virucide*, and deodorizer for hospitals, nursing homes, food service, commercial, institutional, and industrial use. For use in schools, restaurant, food handling and process areas. Non-dulling to floor finishes. Registered and labeled with a claim to inactivate MRSA viruses on hard, non-porous surfaces.

Restaurant Supply

Premium Green Pot & Pan Dish Detergent 701

A pleasant scented concentrated pot and pan detergent. Use sparingly. Produces long lasting copious suds. Rinses clear, leaving pots and pans sparkling clean. Forms no dulling soap films or rings. Effective but mild. Contains special surface wetting and penetrating agents to soak away encrusted greases and protein soils. Excellent soil dispersion and soil carrying capacity. Leaves No Dulling Films. Tough on grease.

Industrial Strength Grill & Oven Cleaner 702A

This concentrated blend of surfactants and alkaline builders is designed as a heavy duty cleaner/degreaser for cleaning grills, ovens and fryolators. This product breaks up heavy build up of baked on grease and oil from metal surfaces quickly and easily.

Automatic Machine Dishwash Detergent 703

Not for use in home dishwashers. This product is a highly concentrated, low foaming, alkaline, machine dishwashing compound designed for use in automatic commercial dishwashing systems only. Special wetting and penetrating agents rapidly remove encrusted greases and protein soils. Versatile, non-chlorinated, and is formulated to work in soft, medium, and hard water conditions up to 10 grain or 170 ppm. It also contains metal protection agents that guard against damage to machine and parts.

Machine Injector Rinse/Dry Agent 704

Industrial quality concentrate. Decreases drying time. Increases efficiency of washing procedure. Leaves glasses, flatware and dishes sparkling clean. This rinse fluid deactivates water tension and promotes sheeting action to eliminate streaks and water spots.

Foamy Pink Dishwash Detergent 710

This product is a pleasant scented concentrated dish washing liquid designed as a heavy-duty dishwash detergent. Use sparingly. Produces long lasting copious suds. Forms no dulling soap films or rings.

Green Apple Biozyme 761

Cleans and eliminates the source of odors. Contains surfactants for cleaning power, perfume for immediate odor control and stabilized enzymes

for the digestion of organic wastes. Digests and liquefies waste plus immediate malodor neutralization.
